

INT. WAITING ROOM

An empty waiting room.

JOSH enters the scene. Leather pants and a nice clean designer white button down shirt with a HIGH COLLAR. Very attractive. Model type.

Josh sits down on the couch. Waiting. He looks around as if trying to find any clue.

The door OPENS again. LANCE walks in. Also wearing leather pants and a white dress shirt with a HIGH COLLAR. Lance appears arrogant about his looks. Josh appears upset with Lance's outfit.

He walks over by Josh, stopping in front of Josh, wanting Joshua to check him out. Josh keeps his eyes off Lance for a few beats, eventually glancing over at Lance's tight butt.

His eyes STAY focused for a long time, eventually Lance moves to sit down on a chair. Lance ignores Josh who is looking over at him.

DANNY enters the room. A smile on his face as he looks at the boys in the room.

DANNY
(motioning at Lance)
You're up.

Josh looks disgusted and ready to argue the point that he should be first.

Danny sees the look on Josh's face.

DANNY
It'll be your turn in time.

Lance stands and arrogant smile on his face as he walks off by Josh again.

Lance exits the room with Danny, shutting the door behind him, leaving Josh to boil by himself.

INT. ROOM ONE

A single chair in the middle of the room.

Danny points at the chair.

Lance walks over, sitting on the chair.

Danny smiles and walks out, leaving Lance sitting on the

chair. Lance looks around trying to figure out what is going on.

He begins wiping his face, appearing to sweat and something begins to feel horrible.

Lance reaches for his throat, something is causing him to STRUGGLE breathing. Sweating more.

Lance stands and walks over to the door. It's locked. He bangs on it, trying to get the attention of someone.

No one comes to his rescue.

He starts to grow weaker, eventually dropping to his knees. The shirt appears wet from the over abundance of sweat.

Breathing heavy. Lance eventually collapses to the floor. Out cold.

We focus on Lance's body for a few beats and then:

The man reaches down, unbuttoning Josh's pants, pulling the zipper down. The man begins fondling Josh's legs - on top of Josh's pants. Moving his hands closer to the open zipper and then:

INT. RACK ROOM

Lance is now up in the RACK. Stretched. Painfully struggling.

A TOUGH GUY. Bear type. Shirtless. He seems to be slobbering over Lance shackled up on the rack.

The tough guy begins rubbing his hands together, watching Lance struggling. He walks over to Lance, touching his body. Lance FLINCHES as much as he can in the tight rack. The guy fondles Lance on the shirt, eventually unbuttoning Lance's shirt - revealing Lance's chest. The guy smiles.

Out of nowhere - The tough guy SLAMS a fist into Lance's gut. The air exhales out of Lance's younger body. The tough guy smiles, slamming a second SHOT into Lance's gut. Lance chokes on the second shot, slobbering through his ball gag.

The tough guy grabs Lance's chin, pulling it over to look into his eyes. He then SLAPS Lance on the face - ONE - TWO - THREE times.

On Lance's face. Blood beginning to form around his mouth.

INT. BEDROOM

The older man is now straddling Josh on the bed. His hands are WRAPPED around Josh's neck. Squeezing Josh, who is starting to wake up. Weak but awake. He starts to struggle against the grip. His face growing RED from the tight grip around his neck.

Josh starts to get more VIOLENT in trying to get the older man off him.

The older man is frustrated. Stops. He then pulls back, causing Josh to relax. He then PUNCHES Josh in the face - ONE - TWO times. Blood dripping from his mouth.

Josh is mad. Confused at the older man.

The older man punches him a THIRD time. Dropping Josh. Out cold.

The older man pulls back. Frustrated. He gets off Josh, reaching down and fondling Josh's legs again. He moves up to Josh's open zipper, eventually reaching inside Josh's pants, touching Josh's junk. The older man closes his eyes. Enjoying the moment.

Josh is terrified at whatever he is saying. He starts to walk out, but Danny reaches out GRABBING hold of Josh around the neck with his arm.

They wrestle back and forth. HARD STRUGGLING. Each one trying to gain control. Danny's vicious grip is beginning to weaken Josh.

Danny eventually forces Josh down to his knees. Squeezing hard. Josh's face RED.

Danny reaches into his pocket with his other hand, grabbing a blade, pulling it out and moving it over to Josh's body. He moves it over his body from his face - eventually placing it on Josh's stomach. After several beats--

--Danny plunges the blade three or four times into Josh's stomach. A bloody mess.

Danny moves back, leaving Josh's body to convulse. Blood pours out, soaking the dress shirt and the floor.
